CCS Global Tech Appoints LSSI's Chairman and CEO; Cary Burch to Board of Directors

-Burch brings decades of experience to help company manage explosive growth and to chair business development committee -

San Diego, Calif., January 21, 2008 – CCS Global Tech, a leading provider information technology and software development solutions serving the financial, healthcare, retail and high-tech manufacturing industries appointed Poway, CA based Lender Support Systems, Inc. (LSSI); Cary Burch to its board of directors and head of the company's business development sub-committee.

Burch brings two decades of leadership, business and information technology experience in the financial services industries. He has an MBA from Pepperdine University and has completed executive studies at Harvard Business School and Oxford University, UK. In 2003, Burch was acknowledged as one of the TOP 20 IT Executives in the financial services industry by the Financial Services Executive Forum.

Raminder Singh, CEO of CCS Global Tech said that the company is expanding so rapidly he needs experienced leadership advisory to navigate his international enterprise. "Mr. Burch was my first choice for this appointment as Cary is a highly reputable individual and he has strong management expertise with fast growing companies." Singh said. The company has also established a business development committee, in which, Burch will oversee. The committee will review strategic business partnerships and potential acquisition targets while continuing the company's strong organic growth.

Burch and Singh are no strangers. Raminder Singh was Co-Founder of Irvine based Commerce Velocity, LLC which provides loan origination solutions to the mortgage industry. "Cary was instrumental early on with the development of the original technology platform and business model at CV." Singh added.
